**Solent Rib Charter offers the ultimate Land Sea and Air Event. A seamless day of nonstop competitive action involving helicopters, Ribs and off-roading. All the action takes place in the beautiful New Forest National Park, and on the stunning Western waters of the Solent.**

Using our own fleet of Ribs, spend a half day speeding across the Solent in tight formation going from Port to port engaged in fiendish challenges as part of a Rib Treasure Hunt, before stopping for an excellent lunch.

Enjoy private use of one of the UK's most demanding purpose built 4x4 courses with a fleet of legendary off road machines - the Landrover Defender. Each participant will receive full instruction and have ample opportunity to drive.

Step from the Landrovers into a twin engine Squirrel for the ultimate tour of that most famous of landmarks, the Needles, together with Hurst castle, before flying

back for the Pimms prize giving reception. The flight is particularly spectacular as the usual height restrictions do not apply over the sea.

To keep you on your toes between events, try your hand on our 'sense defying' off road Segways with a mini cross country course all carefully scored for driver precision.

Operating out of the excellent seafood restaurant bar in Lymington Yacht Haven, enjoying panoramic views over the Solent, the day will be non stop action punctuated only by excellent food and finished with a Pimms prize giving reception.

The Land Sea Air Event is a fantastic way of rewarding staff and entertaining customers at the highest level. Should you be concerned that this might stretch your budget too far, it is also possible to concentrate on land and sea alone.
