About the day

Stunning Event

Enjoy a fun, fast paced competitive water based team event on high powered Ribs with trips ashore at several interesting locations on the Isle of Wight.

Flexible timings

The Treasure Hunt can be tailored to fit the time you have available. Whilst many clients opt for full days, half days and shorter periods are also popular. The event is often run as a 'breakout' for a meeting or conference.

Teambuilding

The Treasure Hunts are both stretching and entertaining whilst always being good fun; every team member will be able to take the lead in tasks ranging from the logical to the outrageously creative.

Hospitality

Whilst great for teambuilding, the event is often booked for client hospitality. You are guaranteed good attendance and great feedback.

Spectacular

Fly across the Solent in our trademark high speed close formations in identical Ribs en route to various destinations on the Isle of Wight.

Hi tech

We use the latest tablet based Treasure Hunt licensed from Wildgoose, which features a live scoreboard, video challenges, questions that can be customised, live maps and even the location of the other teams!

Waterside venues

Let us organise stunning waterside venues for pre or post activity meetings, hospitality and barbeques. We will also help with any transportation needed for transfers.

Catering

The day will usually include bacon rolls and coffee on arrival, lunch (from baguettes to waterside BBQ) and a Pimms prize giving reception. Please contact us for options.

Branding

The boats also look great when they are branded up with flags and vinyls. Please contact us to talk through how to make this work effectively.

Pricing

Remember that we own the Ribs ourselves, so we will be in an excellent position to fit your budget. Please contact us to talk through the options.

Itinerary

The start and finish times are entirely flexible. Often groups join us at 10.00 and expect to have finished their Pimms by 5.30. Please note that the event can be run in as little as three hours if needed.
