About the day

Stunning Event

Enjoy a fun, fast paced competitive water based team event on high powered Ribs with trips ashore at several interesting locations on the Isle of Wight.

Flexible timings

The Treasure Hunt can be tailored to fit the time you have available. Whilst many clients opt for full days, half days and shorter periods are also popular. The event is often run as a 'breakout' for a meeting or conference.

Teambuilding

The Treasure Hunts are both stretching and entertaining whilst always being good fun; every team member will be able to take the lead in tasks ranging from the logical to the outrageously creative.

Hospitality

Whilst great for teambuilding, the event is often booked for client hospitality. You are guaranteed good attendance and great feedback.

Spectacular

Fly across the Solent in our trademark high speed close formations in identical Ribs en route to various destinations on the Isle of Wight

Hi tech

We use the latest tablet based Treasure Hunt licensed from Wildgoose which features a live scoreboard, video challenges, questions that can be customised, live maps and even the location of the other teams!

Waterside venues

Let us organise stunning waterside venues for pre or post activity meetings, hospitality and barbeques. We will also help with any transportation needed for transfers.

Catering

The day will usually include bacon rolls and coffee on arrival, lunch (from baguettes to waterside BBQ) and a Pimms prize giving reception. Please contact us for options.

Whilst great for teambuilding, the event is often booked for client hospitality. You are guaranteed good attendance and great feedback.

Branding

The boats also look great when they are branded up with flags and vinyls. Please contact us to talk through how to make this work effectively.

Pricing

Remember that we own the Ribs ourselves, so we will be in an excellent position to fit your budget. Please contact us to talk through the options.

Professional

Our Ribs are fast, fun, safe and immaculately presented. The Ribs are Coastguard coded and surveyed. Our skippers are fully qualified and commercially endorsed. We carry full public liability insurance.

Case Study: Large Rib Treasure Hunt

Annual Conference

SEGA needed an event prestigious and exciting enough to combine both their annual European conference and the 20th birthday of Sonic the Hedgehog.

240 Delegates

Solent Rib Charter were contracted to provide the full solution. Coaches collected all 240 delegates from London and Heathrow for transfer to Southampton and then by high speed Red Jet ferry to Cowes on the Isle of Wight.

Waterside conference

We used the excellent Yacht Haven conference facility just a few feet from the edge of the water for an impressive multimedia conference, all organised by Solent Rib Charter.

30 Ribs

Lunch was served on the balcony overlooking the marina followed by all 240 delegates boarding a fleet of 30 Ribs to embark on a highly competitive and fun Rib Treasure Hunt which had been customised for SEGA. Sonic himself donned a lifejacket to take the salute.

BBQ finish

The competitors returned to a BBQ on the balcony with terrific views over the Solent for excellent food, plenty of drink and a prize giving before departing by high speed ferry back to the mainland.

What did Sega think?

"A very big thank you from all of us at SEGA for the best team building experience ever! We all had an amazing time. Thanks again."
