## About the day

### Stunning Event

Enjoy a fun, fast paced competitive water based team event on high powered Ribs with trips ashore at several interesting locations on the Isle of Wight.

### Flexible timings

The Treasure Hunt can be tailored to fit the time you have available. Whilst many clients opt for full days, half days and shorter periods are also popular. The event is often run as a 'breakout' for a meeting or conference.

### Teambuilding

The Treasure Hunts are both stretching and entertaining whilst always being good fun; every team member will be able to take the lead in tasks ranging from the logical to the outrageously creative.

### Hospitality

Whilst great for teambuilding, the event is often booked for client hospitality. You are guaranteed good attendance and great feedback.

### Spectacular

Fly across the Solent in our trademark high speed close formations in identical Ribs en route to various destinations on the Isle of Wight.

### Hi tech

We use the latest tablet based Treasure Hunt licensed from Wildgoose which features a live scoreboard, video challenges, questions that can be customised, live maps and even the location of the other teams!

### Waterside venues

Let us organise stunning waterside venues for pre or post activity meetings, hospitality and barbeques. We will also help with any transportation needed for transfers.

### Catering

The day will usually include bacon rolls and coffee on arrival, lunch (from baguettes to waterside BBQ) and a Pimms prize giving reception. Please contact us for options.

Whilst great for teambuilding, the event is often booked for client hospitality. You are guaranteed good attendance and great feedback.

### Branding

The boats also look great when they are branded up with flags and vinyls. Please contact us to talk through how to make this work effectively.

### Pricing

Remember that we own the Ribs ourselves, so we will be in an excellent position to fit your budget. Please contact us to talk through the options.

### Professional

Our Ribs are fast, fun, safe and immaculately presented. The Ribs are Coastguard coded and surveyed. Our skippers are fully qualified and commercially endorsed. We carry full public liability insurance.

# Case Study: Small Rib Treasure Hunt

## Creative Agency

The WDMP marketing and design agency in London needed an event sufficiently different and interesting to motivate their staff – a tough call when you employ some of the brightest and most creative minds around.

## Balcony breakfast

They chose one of Solent Rib Charter's legendary Rib Treasure Hunts. 22 guests started the day in Lymington with breakfast on the balcony of the Haven Bistro overlooking the Island before boarding the Ribs to speed across the Solent.

## Fiendishly competitive

The fiendish Rib Treasure Hunt is competitive, stretching but most of all great fun and the group were definitely ready for a well deserved break and lunch ashore in Cowes - low key and informal in the Union Pub just yards from the marina.

## Pimms prize giving

After lunch, back to the boats for more high adrenaline high jinx before a Pimms prize giving back in the Bistro at Lymington followed by a stunning BBQ.

## What did WDMP think?

"We wanted to re-iterate how fantastic the Rib Treasure Hunt was that everyone at Solent Rib Charter organised for our company summer away day. The organisation was slick and the experience was perfect and the day was brilliantly structured. The BBQ at the yacht club after the event was spectacular. Can't recommend this day enough – thanks again!"
