About the day

Stunning Events

Simply the most exciting events possible within the M25. Nothing else comes close.

Rib Blasts

Enjoy a Rib Blast for up to 420 participants. Depending on the time you have available, we usually route through central London seeing all of the principal sights and we always include a high speed blast from Tower Bridge past Canary Wharf and Greenwich towards the Thames barrier.

Flexible timings

Rib Events on the Thames are tailored to fit the time you have available from less than an hour to a full day. The events are often run as a 'breakout' for a meeting or conference.

Optional Treasure Hunts

We use the latest tablet based Treasure Hunt software licensed from Wildgoose™ which features a live scoreboard, video challenges, questions that can be customised, live maps and even the location of the other teams!

Teambuilding

The Treasure Hunts are both mind stretching and entertaining whilst always being good fun. We can run the Treasure Hunt either on the boats or ashore. The ashore option lowers the price of

the event as we then use the boats in rotation, halving the number of boats required.

Hospitality

Whilst great for teambuilding, the event is often booked for client hospitality. You are guaranteed good attendance and great feedback.

High speed

With high speed limits on large stretches of the Thames, we are able to make full use of the breathtaking speed and performance characteristics of these amazing boats. We blast through parts of London at high speed in close formation – a truly unique experience.

Location

Most clients join us at St. Katharine's Pier next to Tower Bridge. Nearby facilities include a private access road for coaches, restaurants, conference facilities and smart loos.

Catering

There are a wide variety of interesting waterside venues near St. Katharine's Pier that we use for catering before, after or during the event. Talk to us about BBQ's on the terrace of the former Yacht Club overlooking the Thames.

We blast through parts of London at high speed in close formation – a truly unique experience.

General information

Pricing

We operate during daylight hours only. Each boat carries up to eight passengers and we price by the boat. Please contact us to talk through the latest offers.

Good value

Because we own Europe's largest fleet of Ribs, we are very competitively priced and have significant experience at putting together an amazing day – our guests always have fun!

Branding

The boats also look great when they are branded up with flags and vinyls. Please contact us to talk through how to make this work effectively.

Professional

Our Ribs are fast, fun, safe and immaculately presented. The Ribs are Coastguard coded and surveyed. Our skippers are fully qualified and commercially endorsed. We carry full public liability insurance.

Weather

River Thames Rib Events run throughout the year. Only snow storms slow us down. Prices include high quality breathable wet weather gear which protect against cold and rain.

Simply the most exciting events possible within the M25. Nothing else comes close.
